IBIZA

FIND YOUR RESORT

Located in the Mediterranean Sea, Ibiza is the **third largest island of the Balearic Islands**. Well known for its party vibe and world class night life, Ibiza is also a **fantastic destination for a family holiday** thanks to its short flight from the UK, stunning beaches and warm climate.

Once reserved for hen parties and group of party go-ers, recently Ibiza has become a popular destination for families as well – just make sure you pick the right resort!

The north of the island is home to **Puerto San Miguel and Portinatx** with sandy coves and the beaches of **Cala Llonga** are some of the best on the island. For culture head to **Ibiza Old Town** which is a UNESCO Heritage Site and if you fancy a day at a water park visit **Agua Mar Waterpark** which has slides and pools to suit all ages.

The **Cap Blanc Aquarium** is also another family friendly destination or visit the **hippy markets** and stroll the stalls for gifts, souvenirs and live music.

Several airlines fly direct from the UK to Ibiza, such as Tui, Jet2, Easy Jet, Ryanair and British Airways and with **flight times of 2-3 hours**, it's a perfect destination for a holiday with a babe in arms!

The holiday season usually runs from around April to October, however the island enjoys much **milder winters than the UK** so can be a great winter sun destination if you fancy more exploring rather than sunbathing

There are only **a handful of holiday resorts in Ibiza that have baby clubs**, so we have rounded them up here in a handy guide so you can find the one that best fits your needs!

If you are wondering about resorts with baby, kids or teens clubs on in other locations, be sure to check out our other free eBooks available for download on **www.findyourresort.co.uk**

BABY CLUBS

FIND YOUR RESORT

So you are heading to the party island of the Balearics but instead of nightclubs and beach clubs, you are looking for a family friendly resort with a baby club so everyone gets some R&R?

It may not be everyones cup of tea - leaving your precious bundle of joy at a baby club on holiday, but if you want to guarantee some uninterrupted sunbathing where you don't need to have eyes in the back of your head, then a resort with a baby club or crèche can make for a welcome bit of chill time for parents / carers on holiday.

And we at Find Your Resort are firm believers that its also nice for our kids to experience some different faces when on holiday and play with kids their own age for a little bit - it all adds to *their* holiday experience!

Its worth double checking direct with the resort the age requirement for the baby club and also whether sessions need to be booked in advance.

Some resorts may charge for baby club creche sessions, but if its within your budget, then a couple of hours of chill time might just be the icing of your holiday cake!

So if you fancy a holiday in Ibiza, with a resort that has a baby club, then you are in the right place - and be sure to check out our other free eBooks on other holiday resort destinations that have baby clubs!

Then all you have to do is decide what you are going to do with your child free hours!
